

YORK WALLS

EXPLORER TRAIL

Collect all
six stamps!

My name is:

Multangular Tower

This was built at two very different times.
Who built the lower half?

William Etty

He helped to save York's bars from being knocked down.

What was his job?

White boar

This was the personal heraldic badge of Richard III (1483-5).

What would your animal emblem be?

Red Tower

The Walls were last attacked in 1644. What weapons were used then at the smallest windows?

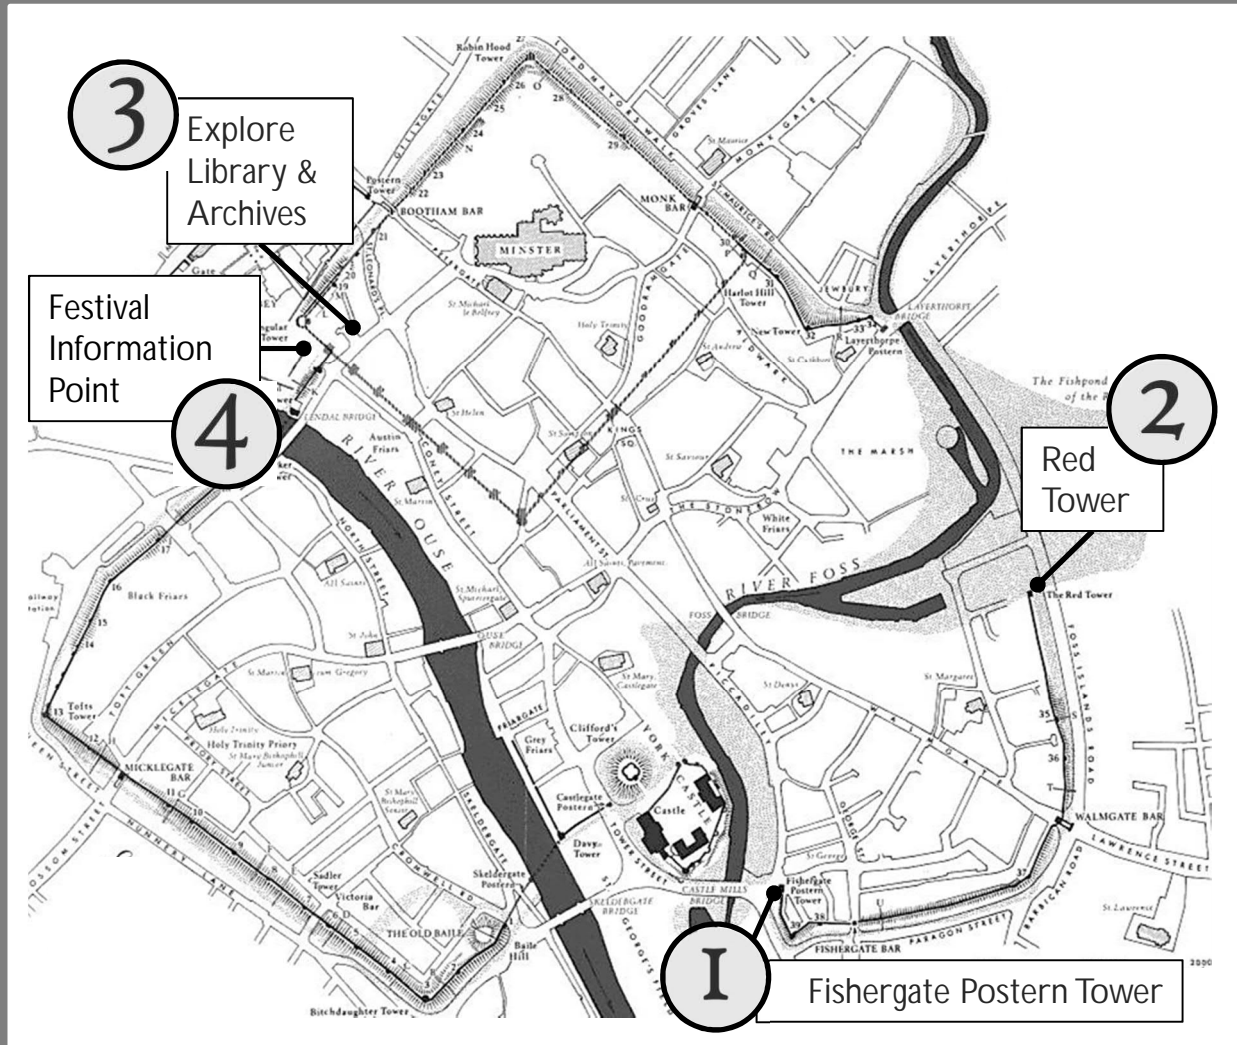

Fishergate Postern Tower

Here is a little side gate into the city. Why was it locked and guarded at night?

White rose of York
A heraldic badge first used by King Edward IV (1461–83).
How many can you spot around the city?
